

ST. JOSEPH PARISH REGISTRATION FORM

Welcome to St. Joseph Parish. The Registration Form on the Back of this letter is needed for our parish records. Information is confidential and is for the sole use of the parish. Statistical information from the parish registration form is provided to the Archdiocesan office for planning the needs of the Archdiocese. Thank you for taking time to complete this form. Your cooperation helps our parish plan more effectively for the needs of our parish. Please return this form by mail, drop it off in the parish office, or in the Sunday collection basket.

Common Questions

Who should complete this form? The <u>Head of the Household</u> is the person who should complete this form. Many times there are several last names in a household but the family record must have one primary last name. This is the last name used to file your family's records. Different last names can be indicted in the individual's Member information section.

Who should be listed on my record? Everyone residing/living in your home, Catholic or Non-Catholic, should be listed. Adults, such as your parents, in-laws, or others who live with your family should be listed on this form. If they are contributing members of the parish, they should also complete a separate parish Registration form in their own name.

Young adults still living in your home, who are out of High School but attending college should be listed. If or when they are no longer dependents (when they are fully employed) they should complete a separate Registration form.

Again, I would like to welcome you to St. Joseph Parish!

Yours in Christ,

Rev. Donald Siciliano
